

Pavo Care4Life

A fibre-rich herbal blend for all horses

Pavo Care4Life contains everything that we can think of from a feeding viewpoint to support your horse's health. This special feed includes fibre-rich raw ingredients, omega-3 and omega-6 fatty acids, yeast, 11 different types of herbs plus vitamins and chelated minerals. These ingredients play a role in the cleansing processes of the body and enable removal of waste products.

As important as these ingredients are, it is also just as important as to what ingredients a feed does not contain! Care4Life does not contain any substances that might unnecessarily burden the horses system. For example, the combined sugar and starch content is only 8%. It does not contain any wheat, wheat by-products, molasses, gluten or oats.

Pavo Care4Life is a suitable healthy addition to the diet of all horses!

Available in 15kg bags.

Important characteristics

- With 11 different herbs (see composition)
- Does not contain cereals or molasses
- Very low in sugar (3,8%) and starch (4,4%) content
- With organically bounded trace-elements

Application

Fits in the diet of:

- Horses which tend to be overweight
- Horses that cannot digest sugar well
- Horses who require no or little concentrated feed
- Horses that need to recover after illness or injury

(This feed does not cure or prevent diseases)

Feeding advice

- Average advice: 170 gram per 100 kg bodyweight per day.
- That is about 1kg per day for an average warmblood horse.
- The required amount depends on grazing and work

Feed scoop content

- One Pavo feed scoop Pavo Care4Life contains approximately 0.9 kg

Tips for horses who eat too quickly and/or gluttonous:

Our advice for horses who eat too quickly or too gluttonous is to feed Pavo Care4Life wet or to mix it with Pavo DailyPlus. Add spacious water and soak it for about 1 hour. After 1 hour your horse can start a delicious, healthy meal.

Pavo Care4Life

A fibre-rich herbal blend for all horses

Product Specifications

Contains

Sun flower seed, extracted
Toasted soybean flakes
Herbal nutrient combination
